

Data Use Consent

To help further The American Breast Cancer Foundation, Inc.'s ("ABCF") mission to provide education, access and financial assistance to aid in the early detection, treatment, and survival of breast cancer for underserved and uninsured individuals, regardless of age, race, or gender, (the "Community"), Array Insights, Inc. ("Array Insights"), on behalf of ABCF, / ABCF is requesting your consent to collect, use, retain, and/or disclose ("Process") your "Personal Data" for the "Purpose" as outlined in the table below.

Personal Data	Purpose
Personal Data may include: • Your Name • Photo • Age • Information regarding your experience as a member of the Community (collectively, "Your Story Information")	ABCF may Process your Personal Data for the following purposes: • To connect Community members together for Community support purposes (i.e., "Community Member Matching"); • To support clinical research activities; • To comply with legal and regulatory obligations; • To perform everyday business activities (e.g., for IT support and storage purposes or to complete periodic audits); and • Subject to your prior review and approval, to support advocacy efforts for the Community, including to support ABCF fundraising, grant writing, and marketing campaigns.

Data Sharing

Your Personal Data may be shared with ABCF's service providers (including subcontractors of such service providers) and its clinical research partners to help fulfil the above Purpose but will not be used for any other purpose without your prior consent. Your Personal Data will not be shared with or used by any third-party except as provided in this Data Use Consent or with your prior consent.

Data Storage and Retention

To fulfill the Purpose, your Personal Data will be stored on a platform located in the United States that is developed and maintained by ABCF's service provider, Array Insights, Inc. ("Array Insights") (the "Tallulah Platform"). The Tallulah Platform utilizes third party Application Programming Interfaces (APIs), but the APIs will not be used to index Personal Data. Most Personal Data Processing will be conducted within the Tallulah Platform, which such data will be encrypted, when applicable, and will be secured behind Array Insights' virtual privacy network (VPN) and firewall. ABCF maintains control over the Processing of your Personal Data and will direct Array Insights to remove your Personal Data from the Tallulah Platform upon your request. ABCF will use reasonable measures to ensure your Personal Data is kept confidential and secure.

How to Revoke Your Consent / Obtain a Copy of Your Personal Data

You may request a downloadable copy of your Personal Data held on the Tallulah Platform or revoke your consent at any time by contacting us at info@abcf.org. Upon revocation of your consent, ABCF will remove your Personal Data from Tallulah Platform and will not further Process Personal Data, except to meet its legal and regulatory compliance obligations.

Please refer to ABCF's privacy policy / practices for further information on how ABCF Processes your Personal Data / Please refer to Array Insights' privacy practices here: <https://arrayinsights.com/patient-centric-privacy/> for further information on how Array Insights Processes your Personal Data.]

I understand and consent to the Processing of my Personal Data in accordance with this Data Use Consent.
